Dear Colleagues,

On behalf of the AUVA (Austrian Workers' Compensation Board), the organizing committee of the first Vienna International Shoulder Surgery Congress is looking forward to welcoming you during this convention that will be held in the heart of Vienna.

An international faculty will discuss shoulder topics from fracture care to joint replacement. Participants from all over Europe will get the chance to discuss with exceptional shoulder experts and continue the networking of the scientific shoulder community.

We are looking forward to meet you in September,
Sincerely,

Christian Fialka, M.D.
Congress President
