

**17<sup>th</sup> ESSKA Congress**

**4-7 May 2016**

**Barcelona, Spain**

Dear members of the Society for Orthopaedic and Traumatologic Sports Medicine,

The 17<sup>th</sup> Congress of the European Society of Sports Traumatology, Knee Surgery and Arthroscopy (ESSKA) will be held 4-7 May 2016 in Barcelona, providing a platform for the continuing medical education of the world's leading surgeons and clinicians in sports traumatology, degenerative joint diseases and arthroscopy.

The scientific programme will review the latest developments in current clinical and surgical methods and basic science and it will address other topics such as rehabilitation and return to sport. Check out the programme specials such as the Cadaver-lab Pre-Courses (Knee/Shoulder), the Orthopaedic Sports Medicine Review Course, the FORTE Resident Programme, or the PT Programme (<http://esska-congress.org/programme-specials/>).

The amount of interaction between presenters and audiences will be increased and will highlight discussion as a most valuable part of the meeting.

As an ESSKA Affiliated Society, you will be represented during the Congress at the following sessions:

Roundtable of Affiliated Societies:

Thursday, 5 May 2016, 17:00-18:00, room 113

Title: Angle of fixation of ACL graft: Preset or case based

Moderator: Espregueira-Mendes J. (Portugal)

We hope you will join us and support your society at these events!
